Modalities for operation of Academic Bank of Credits in Assam Veterinary & Fishery University:

The University Grants Commission (UGC) mandated 100 per cent registration on the ABC platform from the current academic year **2023–24**. That indicates that all applicants to universities across the nation must open an Academic Bank of Credit (ABC) account as a condition of admission.

How to Create ABC ID?

Generate ABC ID: It is mandatory to create an account on ABC platform and generate ABC ID for University Admission in 2023. Follow these simple steps to create your ABC ID from official site:

- a. **Login to DigiLocker:** First of all login to your DigiLocker Account. If you have not sign up in DigiLocker, create it now and then login there.
 - b. **Search for Education:** After login, you search for Education category which shows Academic Bank of Credits service.
 - c. **Create ABC ID:** Finally, select Assam Veterinary & Fishery University (or your last institute) and click on 'Generate ABC ID'.
-

Credits awarded after each semester to a student for one program from an institution (A) may be transferred/redeemed by another institution (B) upon students' consent.

Credit transfer is the key to successful study mobility.

The semester-wise mark sheet will be published in DigiLocker when the results for each semester are announced, much like it is done for degrees or other papers. This will be done by choosing a DigiLocker marksheet template with the necessary consent of the relevant authority.

Once semester wise results published, ABC Platform is a virtual database of credits to store online the academic credits earned by each student individually. Students can check accumulated credits by logging into abc.gov.in.

AVFU will redeem credits from other institutions of a student seeking transfer to the Academic programs of AVFU for those courses as approved by:

- a. ICAR, BSMA
- b. ICAR, Dean's Committee
- c. VCI approved courses

Migration of students to AVFU will be within disciplines only.

As per the UGC norms, it is mandatory for students in India to obtain an APAAR ID (Automated Permanent Academic Account Registry ID) as part of the Academic Bank of Credits (ABC) initiative under the "One Nation, One Student ID" program. The students have to submit this 12-digit ID.
