NOTIFICATION

**CELEBRATION OF THE FIRST FOUNDATION DAY
ASSAM VETERINARY AND FISHERY UNIVERSITY**

It is a moment of immense pride, joy and historic significance for the entire Veterinary and Fishery fraternity of Assam that the Assam Veterinary and Fishery University (AVFU) is going to celebrate its First Foundation Day on **27th September, 2026 (Sunday)** at its Khanapara Campus.

The creation of AVFU is not merely the establishment of another University. It is the fulfilment of a long-cherished dream and aspiration of generations of teachers, scientists, veterinarians, fisheries professionals, students, employees and well-wishers of Assam. The First Foundation Day therefore marks the beginning of a new chapter in the history of Veterinary and Fishery education, research, extension and development in the State. We express our deepest and heartfelt gratitude to the Government of Assam for taking this historic and visionary decision. This landmark initiative has opened a new chapter of hope and limitless possibilities for veterinary and fishery education, research and services.

Though the Foundation Day falls on a Sunday, the University earnestly appeals to all Teachers, Officers, Employees and Students to come forward and participate wholeheartedly in the Foundation Day celebrations and all associated events.

Your presence will be more than mere participation - it will be an expression of your love, pride and commitment towards AVFU. Your support and cooperation on this historic day will stand as a mark of respect for the newly created University and will strengthen the spirit of unity and belonging among all members of the AVFU family.

The day will also witness the inaugural ceremony of the University, symbolising the beginning of our collective journey towards fulfilling our dream of building a modern, vibrant, innovative and globally respected Veterinary and Fishery University in Assam.

The occasion will be graced by the esteemed presence of the Hon'ble Chief Minister of Assam, whose presence will add immense significance to this historic beginning. The Hon'ble Minister, Animal Husbandry & Veterinary Department, Government of Assam, and the President, Veterinary Council of India, will also join us in celebrating this landmark occasion.

This is our University, our dream and our shared responsibility. We hope that the foundation will shape the future of generations of students, teachers, scientists, veterinarians and fisheries professionals. Let us therefore put aside the fact that it is a Sunday and come together as one AVFU family to celebrate this historic moment.

Let us fill the campus with our presence, enthusiasm and pride.

Let us celebrate the birth of AVFU

Let us honour its foundation

Let us pledge to build its future
